### Description of Proposed Improvements/Modifications:

In the space below please provide detailed information about proposed modification: dimension, location, color, materials, etc. Also enclose the following supporting materials as needed:

- Building Envelope (minor modification or major modification)
- Setbacks
- Home Plans (show modification locations)
- Roof Plans
- Home Elevations
- Landscape Design
- Pool/Spa Plans
- Exterior Lighting
- Materials and/or Color Samples
- Specifications

Submit complete applications to the Design Review Committee (a fee may apply—please contact the Design Review Committee Representative.)

NOTE: Many Home improvements may also require separate approval and inspections from the Town of Buckeye building and/or Planning departments. For questions of this nature please call the Town of Buckeye.
